

Notice to Private Hirers of Ely City Church Community Rooms Regarding Insurance Cover

Please would you read the following notice which details the type and amount of private hire insurance cover for users of our community rooms. It should be read in conjunction with our Conditions of Hire, Section 2, Insurance. If you think this insurance cover may not be enough, it is essential that you tell us before starting your hire as you may need to arrange your own insurance.

Private individuals hiring our community rooms are covered for public liability under a hirer's indemnity cover extension to the Church's insurance policy. The additional premium for this cover is already included in the charge we make to private hirers. You will see a £5 charge for insurance itemised on your invoice which is for this. We would draw the attention of private hirers to the following details of what is covered and the amount of the cover.

What is covered

See Kingdom Bank Hirers' Public Liability Summary of Cover. We will give you a copy of it with this notice.

Amount of cover

Our hirer's liability/public liability cover is £5,000,000.

Insurers' contact details

Our Insurers, Kingdom Bank, can be contacted on tel. 0115 921 7250. Our policy number is CHP2094087.
